

Pro-Kolin Enterogenic

Pro-Kolin Enterogenic is the safe and natural choice for the long-term management of gastrointestinal sensitivities. Pro-Kolin Enterogenic acts to reinforce the intestinal mucosal barrier, modulate the intestinal immune system and normalise the microfloral balance.

Pro-Kolin Enterogenic contains:

- Alpha-glucan butyrogenic – a resistant starch that is fermented by the resident microflora to produce butyrate which is the preferred energy source for colonocytes. Butyrate can help to improve the integrity of the mucosal barrier.
- MPS Protect – this is a mucopolysaccharide that reinforces the intestinal mucin.
- Probiotics – the EU-registered strain *Enterococcus faecium* (NCIMB 10415) E1707.
- Prebiotics – Preplex[®] (fructo-oligosaccharide and Gum arabic), mannan-oligosaccharide and beta-glucans.

PRODUCT SPECIFICATIONS

Directions For Use	Add to the daily food for as long as considered necessary or as advised by your veterinary surgeon.								
	<table> <tr> <td><5kg</td> <td>½ sachet daily</td> </tr> <tr> <td>5-15kg</td> <td>1 sachet daily</td> </tr> <tr> <td>15-35kg</td> <td>2 sachets daily</td> </tr> <tr> <td>>35kg</td> <td>3 sachets daily</td> </tr> </table>	<5kg	½ sachet daily	5-15kg	1 sachet daily	15-35kg	2 sachets daily	>35kg	3 sachets daily
<5kg	½ sachet daily								
5-15kg	1 sachet daily								
15-35kg	2 sachets daily								
>35kg	3 sachets daily								
Contra-indications	There are no contra-indications or restrictions on the use of Pro-Kolin Enterogenic.								
Storage	Store in dry, clean conditions, out of direct sunlight.								
Zootechnical Additives	Protexin probiotic <i>Enterococcus faecium</i> (NCIMB 10415) E1707 2.5×10^{11} CFU/kg; 1×10^9 CFU/sachet								
Technological Additives	Bentonite-montmorillonite, Preplex [®] prebiotic – Acacia (Gum arabic)								
Sensory Additives	Artificial beef flavouring								
Composition	Resistant starch (Alpha-glucan butyrogenic), Inactivated yeast (Beta-glucan and Mannan-oligosaccharide), Mucopolysaccharide starch (MPS Protect), Preplex [®] prebiotic (Fructo-oligosaccharide)								
Analytical Constituents	Crude protein: 8%, Crude fibre: <1%, Crude oils and fats: 1%, Crude ash: 16%								
Pack Size	Boxes of 30 and 60 sachets.
